**The Mission Society
 Experts At-a-Glance**

The Mission Society's team has a diverse base of expertise and experience with global issues, ministry and missions outreach. If you need a speaker or source on any of the topics below, or in related areas, we want to hear from you. We have more than 200 cross-cultural workers in more than 37 countries around the world working in issues ranging from water well drilling and healthcare initiatives to church planting and children's ministries. Our staff is capable of speaking to a number of topics relating to ministry and cross-cultural service.

Experts	International Ministry	Church Relations, Mobilizations of Churches	Muslim Insider Movement	Missionary Recruitment, Training, Support, Education	Short-term Mission Trips	Cell Group Ministry	Cross-Cultural Relations
